

# Narratives of Health and Illness across the Lifespan

Royal Irish Academy  
15 – 16 June 2011

An International Conference celebrating the Tercentenary of the TCD Medical School, hosted by the

**National Centre for Arts and Health**  
Adelaide and Meath Hospital Dublin  
incorporating the National Children's Hospital  
[www.artshealthwellbeing.ie](http://www.artshealthwellbeing.ie)

## THE THEME

The National Centre for Arts and Health reflects the vitality of the Arts and Health programme at the Adelaide and Meath Hospital, incorporating the National Children's Hospital, at Tallaght, Dublin, and the conference will provide an overview of developments the Medical Humanities and Arts and Health programmes, from paediatric care to palliative medicine.

The conference will be of interest to interested healthcare professionals as well as practitioners in Arts and Health, including artists, writers, musicians, film-makers..

## HIGHLIGHTS

As well as speakers from the USA, UK, Denmark and Ireland, the conference will also host the public première of *Bewitched*, composed during Ian Wilson's residency as Composer-in-Residence to the Stroke Unit at the Adelaide and Meath Hospital
